Software Engineer Intern | Document Cloud Mobile

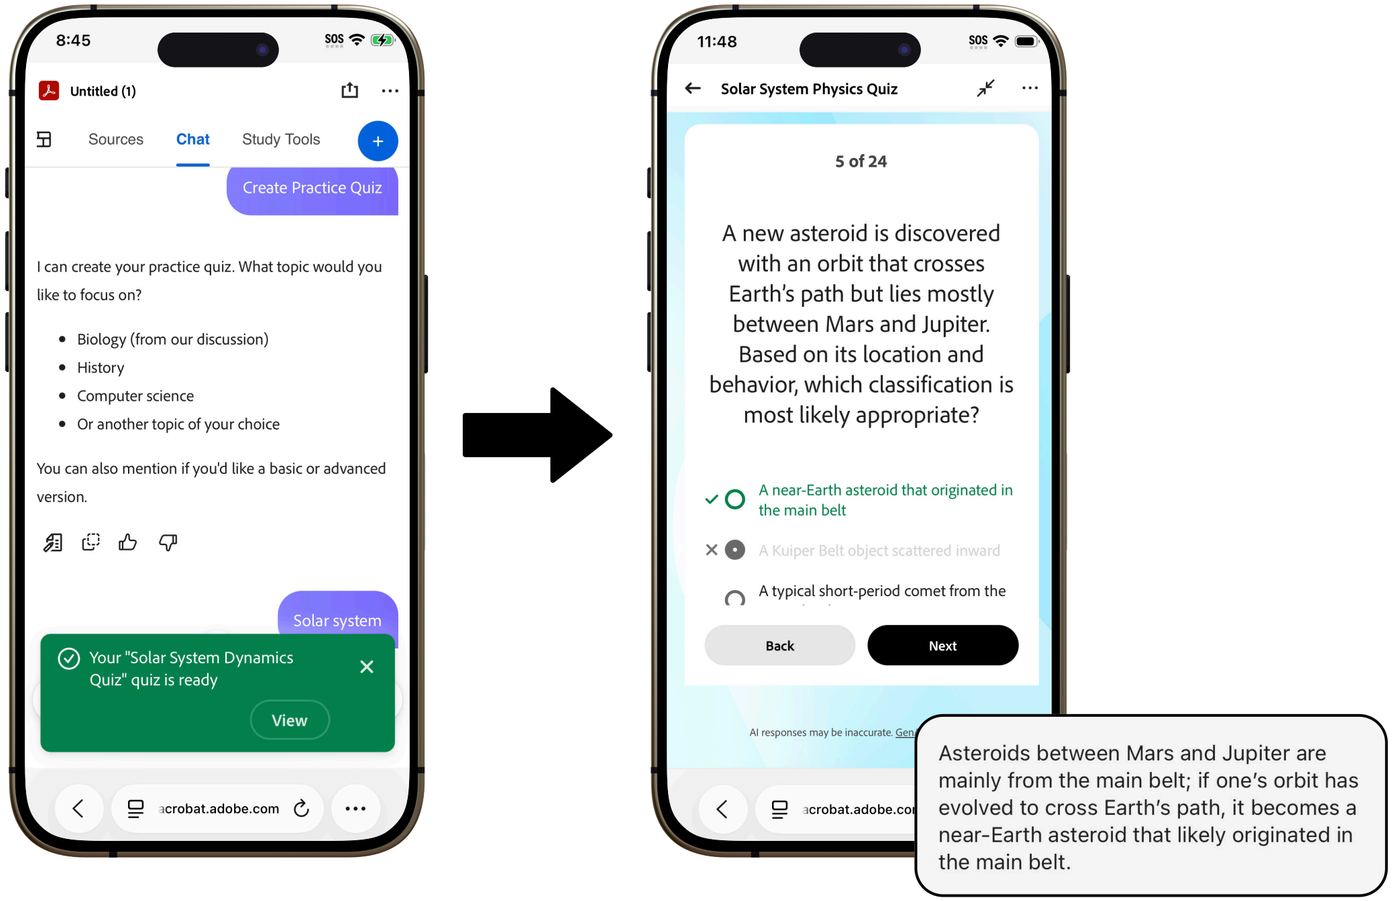

Adobe

Current Limitations

Student Spaces Quiz

- **Static** quiz experience
- **No Q&A or follow ups** between questions
- Requires **screen-based** interaction
- **Disconnected** from the document viewer
- Does **not** support background conversation (screen lock)

Overview

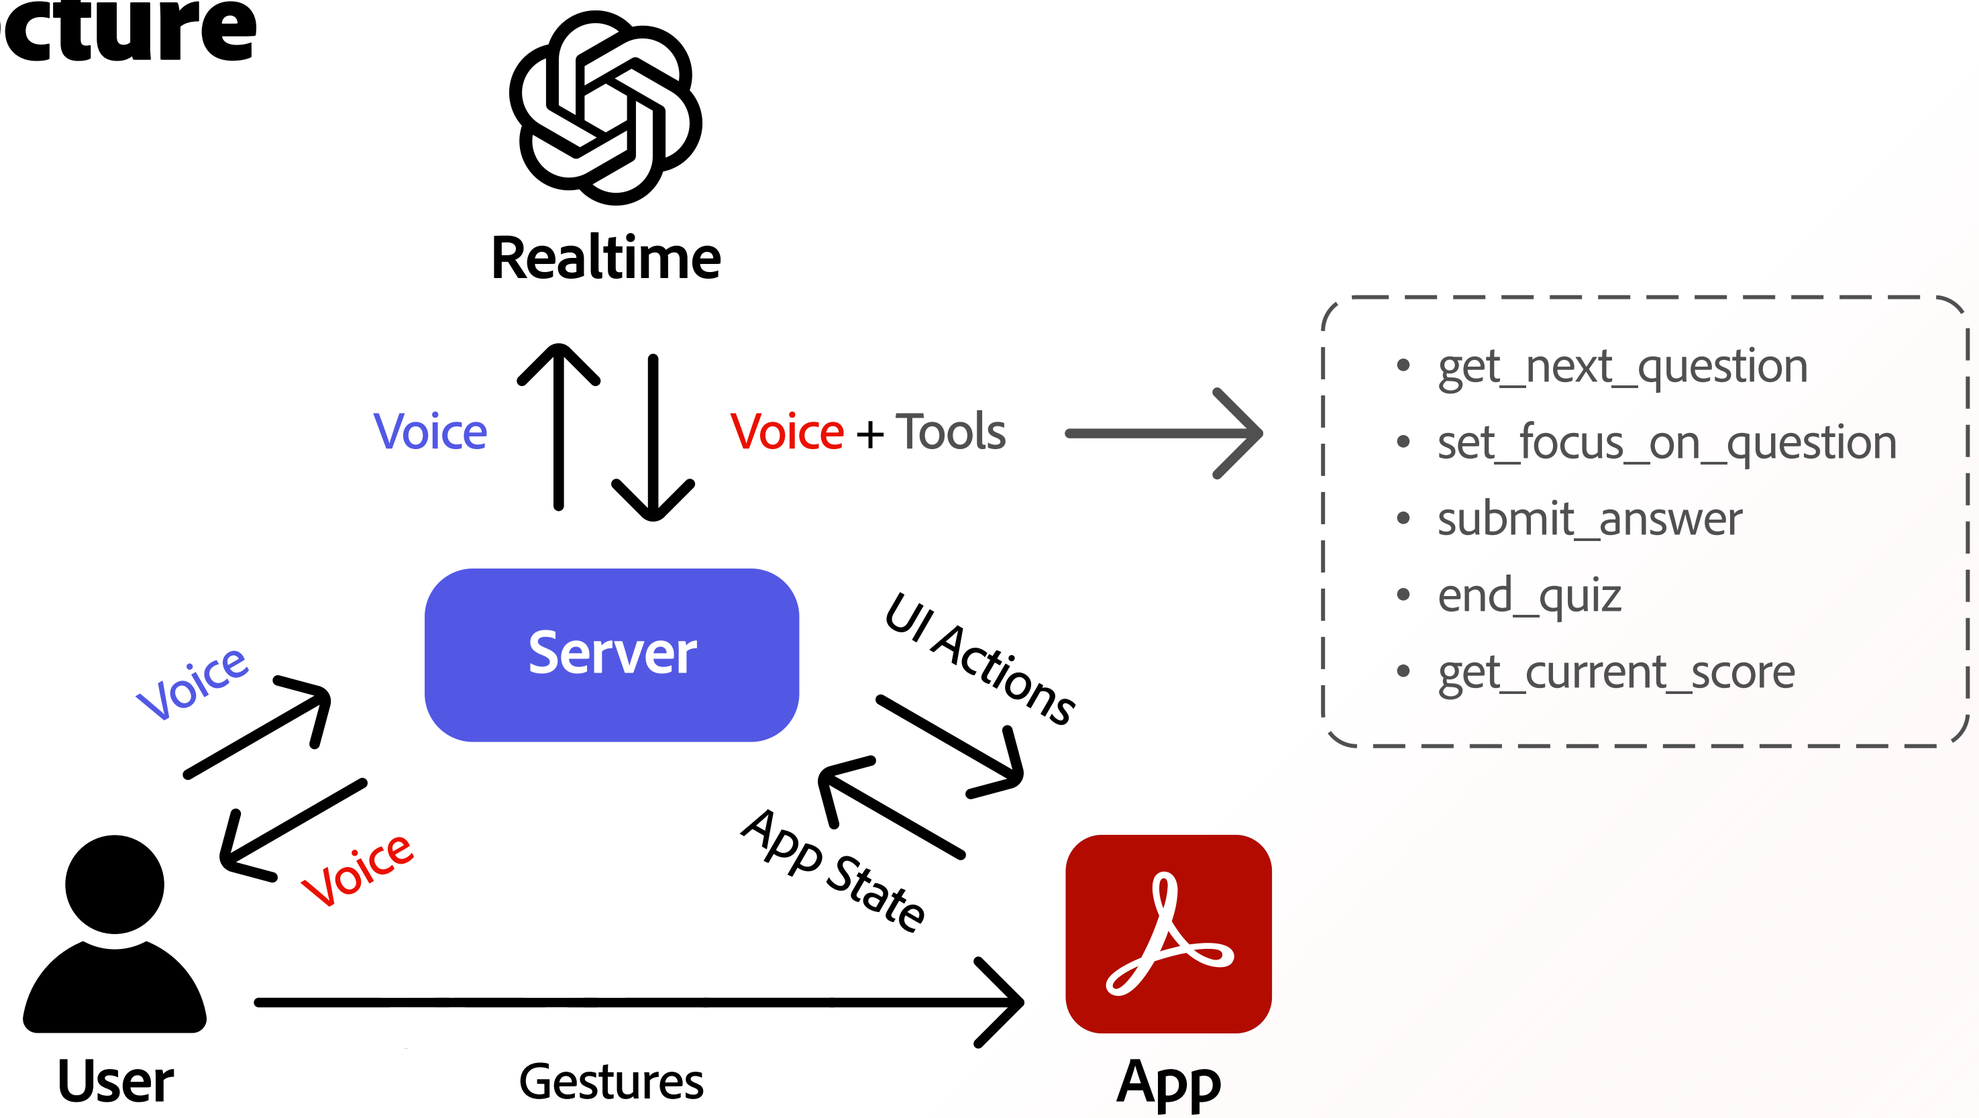

Realtime Voice Quiz in Acrobat

- **Conversational** quizzing in **Acrobat Mobile**
- **Real-time Voice AI** interaction
- Quiz by page, section, document, or any topic
- Encourages **active learning** and retention
- Supports **background conversation** / screen lock

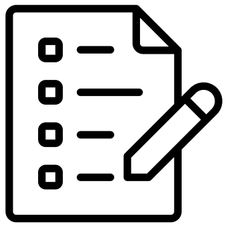

Live Demo

Architecture

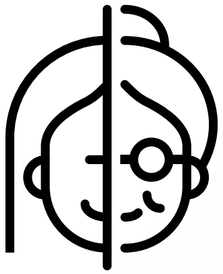

Next Steps

More Quiz Formats

Short responses, flashcards, and other learning activities

Tutor Personalization

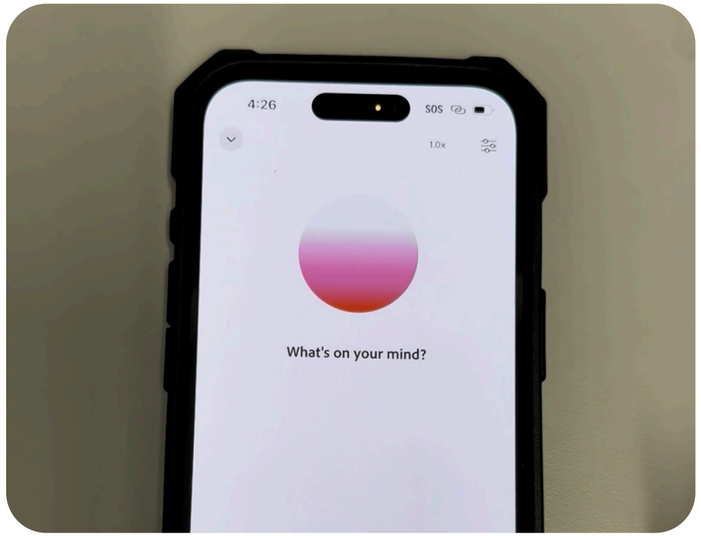

Different voice personalities, tones, or tutoring styles

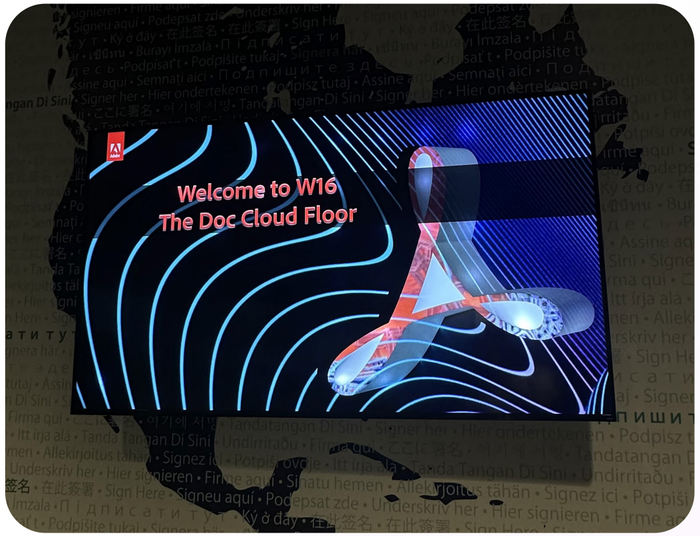

Student Spaces Integration

Bring voice quiz experience into Student Spaces

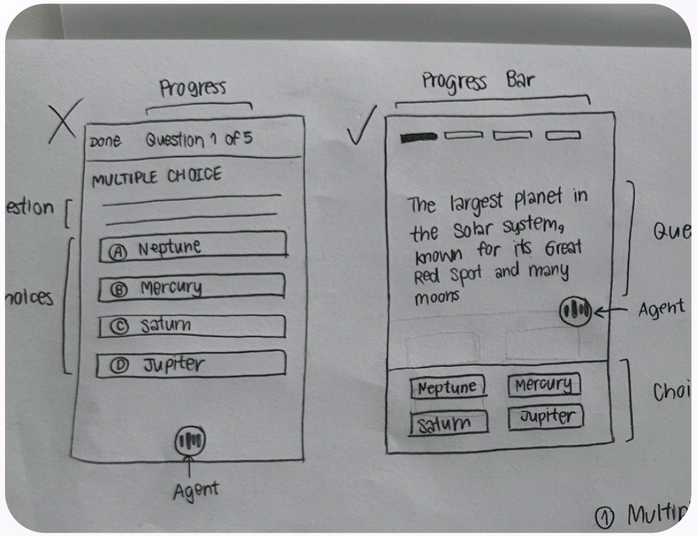

Learnings

End-to-End Ownership

The Bigger Picture

Resilience
